WELCOME TO OUR SCHOOLWEAR CATALOGUE

We are grateful to all our customers who trusted in us to help provide them with immaculate service and products especially during the back to school period. The demands, challenges and feedback from you have pushed us to improve our products and services over the years. These foundations of providing excellent customer service and high quality products will be the benchmark for many years to come.

We also believe in sustaining and ensuring our fair trade ethical policies worldwide. We at Zeco follow our standards of conduct vigorously by obtaining fabric and material from responsible sources only. We also work with local authorities to provide adequate working conditions for all our workers worldwide.

As of 2014 we re-located our main warehouse and office hubs to our new premises in Essex. Our new location enables us to introduce additional products and lines to our existing inventory. With our new centralised location we have easier accessibility for all customers.

What gives us a competitive advantage in this industry is the fact that we can now hold up to 4 times the volume of stock to meet all back to school needs. The rigorous testing we perform on all our garments ensure we only adhere to selling the highest quality products throughout the year. We pride ourselves and our reputation on providing the pinnacle of quality for all our garments.

Thank you for taking the time to view our catalogue and if you require any assistance do not hesitate to contact our Zeco Sales team. Our sales team will help to ensure the back to school season goes as smoothly as possible for all our customers.

Terms & Conditions

Zeco Ltd. offer to supply goods and services subject to the conditions of sale set out below. These terms and conditions of sale shall not be rendered invalid or inoperative and shall take precedence and surpass over any other conditions unless specifically agreed in writing by Zeco Ltd. We reserve the right to change these terms and conditions at any given time.

CONDITIONS OF SALE

Zeco Ltd. retains the property of all goods supplied until the purchase price has been paid in full. You acknowledge and agree that all copyright, trademarks and all other intellectual property rights in all materials and content made available from Zeco Ltd shall remain at all times vested in us. You are permitted to use material only as expressly authorised by Zeco Ltd. Returned cheques will be charged at £20.00 per representation. Samples cannot be returned for credit.

RETURNS

Goods are not to be sold on a sale or return basis. All returns should be authorised by the sales team. We cannot accept returns or exchanges if the goods are not in a re-saleable condition, if they have been embroidered or the garments in question have been placed via a special order. Faulty goods will only be accepted if there is a genuine fault in the garment providing the garment has not been badly worn or incorrectly washed. In the event of the return of faulty goods, each case will be investigated objectively by our sales team and the approval sought in support of an issuing of an appropriate credit. Any faulty garments returned to Zeco Ltd must also be clearly marked. Any returned goods collected from customers using our courier service are subjected to a £12.00 charge per carton. All claims arising from shortages and non faulty goods will only be considered if notification is received within three working days of receipt. If the buyer does not notify Zeco Ltd accordingly, Zeco Ltd has no liability for any discrepancies arising.

EMBROIDERY

With the exception of faulty goods, Zeco Ltd will not accept any form of return for goods that have been embroidered by third party embroiders, where wrong colours or shade variations have been dispatched. Embroidery to be charged in addition to garment prices.

MADE TO ORDER

All made to order goods are non refundable unless there is a genuine fault with the garment. All orders need to be confirmed before orders can be processed. Orders which specify certain colour or fabric on any garments are subject to the following disclaimer; The shade of fabric will never be 100% exact match from one batch to another. The process involved in weaving the fabric will not allow this to be possible, however all measures are made so that the tolerance levels are kept to a very small variation.

PRICES

Prices can vary and are subject to change without prior notice. All prices are exclusive of Value Added Tax unless otherwise stated which shall be charged at the rate ruling at the time of dispatch of goods where applicable.

PAYMENT TERMS

All cheques are made payable to Zeco Ltd. All invoices to customers with approved credit facilities are subject to 30 days from the date of invoice to finalise payments unless specifically agreed by Zeco Ltd. Failure to do so will fall immediately on the appointment of a receiver, liquidator or administrator or any other act of insolvency. Zeco Ltd reserve the right to charge an interest rate of 2% on all overdue accounts and will accumulate every month from the date payment becomes due. If the payment is not made by the due date, then Zeco Ltd reserves the right to suspend any further deliveries until the payment has been made in full. Payments made via credit cards are subjected to a fixed rate charge of 1.75%. We accept all major debit and credit cards except American Express.

DELIVERY

All deliveries are subject to carriage charges unless specified by Zeco. For details of rates within mainland UK please refer to carriage rates on the inside front cover of this catalogue. Other locations will be quoted upon request. In respect of non delivery, damaged or mislaid parcels notification must be received within 24 hours of the date of the invoice. If the buyer does not notify Zeco Ltd, then Zeco Ltd has no liability for any discrepancies arising. Our intention is to dispatch every delivery within 24 hours of the invoice date. We make every effort to deliver all goods in the agreed time; however we are not liable and all deliveries are non-refundable if we fail to do so in part or in full due to circumstances beyond our control.
